

# A GUIDE TO SUPPLYING ARTWORK

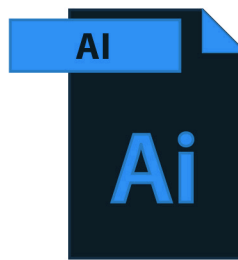

When Supplying your artwork ready for print, Urwa Industries needs the best possible to guarantee the print quality of your garments.

We **recommend** the following **file formats**:

**.EPS**  
Encapsulated  
Post Script File.

**.AI**  
Adobe  
Illustrator File.

With **all** artwork supplied, please make sure the following has been **completed**:

1

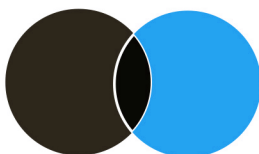

Please convert all **'Live' editable text to Lines**. This gives our designers full control over **size** and **placement** of your logo, **without** worrying about accidentally changing **words or Fonts**.

2

If you are not able to **create lines from text** within your Logo **(Previous)**, please supply us with a copy of your **logos Font File**. That way we can keep to your original branding.

3

Please supply any **specific Pantone references** that must be used within your artwork.

4

And finally, supplying us with your **brand/companies Guide-lines** ensures we use your logo the way it was ment to be used. **Correctly and effectively**.
